## ROBINSON'S JULY SALE

JULY 8 TO 22 TWELVE DAYS OF MOST REMARKABLE VALUES

This sale is not of our choice. We very much prefer to do a smaller business this month at regular prices than to do the big volume that will come as a result of these great reductions, for everyone knows that we shall be obliged to replace this merchandise at prices that in practically every instance are in excess of what we shall ask you to pay, but we remember how in former years you have stood by us in the pinches—came and bought our merchandise when we were loaded and needed your money—and we are not so ungracious as to deny you of this great annual saving opportunity now at a time when the high cost of living is everybody's problem. During this two weeks sale you are welcome to buy all the Merchandise you want at these prices.

## HIGH PRICES FOR FALL

Nearly every item will advance to highest point on record in the next 60 days. Supply yourself liberally now you will be glad of the tip.
